To whom it may concern,

The Brookfield WPCA held an informal public hearing on September 28<sup>th</sup>, in which preliminary plans were discussed to connect properties to municipal sewer on Dean Road, Pocono Road and several houses on Silvermine Road. We ask that you answer the questions below, and return in the self-addressed stamped envelope. Please take care of this soon. The survey is due back by January 9, 2019 at the latest for your voice to be heard. For your convenience, we have attached a list of questions and comments that were discussed at the September 28 meeting.

What is the approximate age of your septic system? \_\_\_\_\_

Have you ever had repair work done on your septic? \_\_\_\_\_
