Dear Neighbor,

The Brookfield WPCA and their consulting engineers from CDM Smith, have conducted a study of the feasibility of extending sanitary sewer service to the Candlewood Lake Area.

Please join us for a Public Information Session on Monday, **November 13, 2023 from 7:00 – 9:00 pm** in the auditorium of **Brookfield High School, 45 Long Meadow Hill Road**. At this session we will present a summary of alternatives for sanitary sewer service to the Candlewood Lake Area, price comparisons for each option and potential discharge locations.

At the conclusion of the presentation, members of the public may ask questions of clarification and submit comments. Please note there will be a 2-minute time limit per person, in order to ensure all who wish to speak are heard.

Please make every effort to review the draft report from CDM Smith prior to the meeting. This report will be posted on our website at www.brookfieldwpc.org prior to the meeting.

We look forward to seeing you.
